

Cre8tify

Wear Your Imagination

High-Performance
MERN Stack Application

Real-Time Design &
Customization

Sri Lanka's First
AI Virtual Try-On

INDUSTRY CHALLENGE

Print-on-demand services face challenges like high costs, slow delivery, limited customization, and the lack of reliable visualization tools.

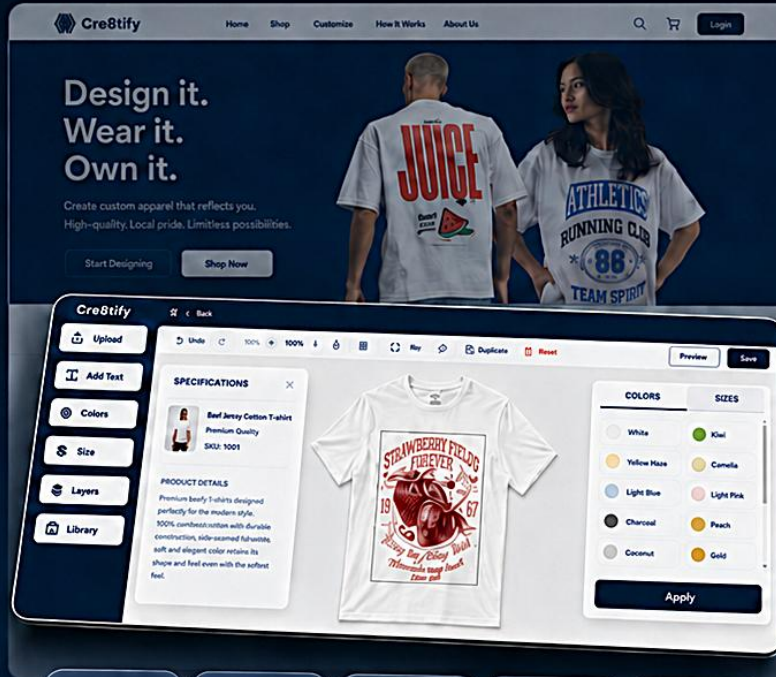

Customers need confidence in how their designs will look on real products, leading to uncertainty and low conversion.

OUR APPROACH

Cre8tify is an all-in-one platform that empowers users to design, visualize, and shop custom apparel with real-time previews, AI virtual try-on, and secure hybrid payments built for the Sri Lankan market.

USER FLOW

- Choose & Customize**
Select a base product and design on the T-shirts.
- Design Your Way**
Add text, graphics, colors and effects using powerful tools.
- AI Try-On Preview**
Preview your design on AI models in realistic environments.
- Secure Checkout**
Pay with hybrid options and get fast delivery to your doorstep.
